## WARNING

- Due to small parts, the Minka House should be assembled by an adult.
- Keep away from fire.
- Strict supervision of an adult is recommended while kids are playing.

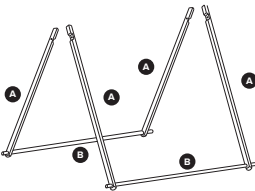

### STEP 1

Lay out 2x vertical beams (A) and 1x horizontal beam (B) as shown, and secure with 2x end screws (C) to make one side of the Minka House. Repeat these steps to assemble the other side.

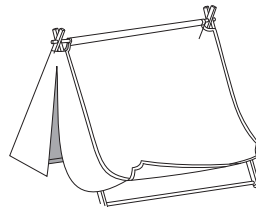

### STEP 4

Attach the horizontal beam (B) to the rest of the frame as shown, and secure with 2x end screws (C).

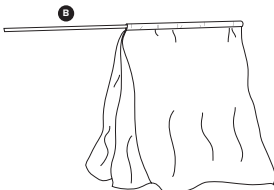

### STEP 2

Gather each side in the position shown.

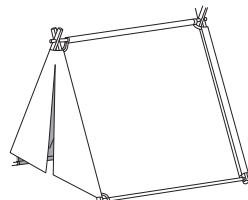

### STEP 5

Ensure the fabric covers the vertical beams. Secure the bottom of the fabric on the horizontal beams.

### STEP 3

Thread 1x horizontal beam (B) through the top seam of the fabric cover (D) as shown.

### STEP 6

You're done, enjoy!
