

LITTLE NATION

SWING TRAPEZE

INSTRUCTION MANUAL

UK
CA

WARNINGS & SPECIFICATIONS

- **Minimum User Age:** Over 5 years old.
- **Maximum User Weight:** 350 pounds.
- **ADULT SUPERVISION AND ASSEMBLY REQUIRED**

INSTALLATION INSTRUCTIONS

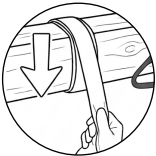

1. Select a Safe Location

Choose a sturdy beam, playground frame, or healthy horizontal tree branch. Ensure the area is clear of obstacles and has soft, level ground.

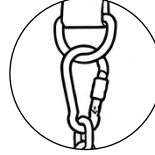

2. Install Tree Strap

Wrap the tree strap around a strong branch or support. Pass one loop through the other to secure it in place.

3. Tighten Securely

Pull the strap firmly to ensure it is tight and stable against the branch.

4. Attach the Swing

Connect the trapeze swing to the hanging loop using a carabiner or the swing's clips. Adjust to the desired height.

5. Perform Safety Checks

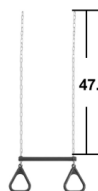

Inspect straps and hardware regularly for wear or damage. Do not use if any components show signs of deterioration.

Enjoy!

SAFETY GUIDELINES

- Adult supervision is required at all times.
- Use only as intended; do not stand, twist, or misuse the swing.
- Keep a safe distance from moving swings and never walk or play in their path.
- Always sit properly in the center of the seat—do not jump off while in motion.
- Do not attach unauthorized items (e.g., ropes, cables) to the equipment.
- Ensure children wear well-fitted clothing; avoid loose items that may get caught.
- Do not use the swing when wet or slippery.
- Never climb, slide, or wrap limbs around chains or ropes.
- Place the swing over soft, impact-absorbing ground.
- Regularly inspect all parts for wear, damage, or loose hardware. Do not use if any issues are found.
- Maintain equipment by tightening hardware and lubricating moving metal parts as needed.

KIT INCLUDES

47.24in
**1x Heavy-duty
Trapeze Swing**

**2 x Connecting belts
2 x Locking connecting
Buckles**
